

PRIVACY POLICY

I. GENERAL

This Privacy Policy governs the collection, processing and use by trade.io Payment Solutions OÜ (incorporated in Estonia) (hereinafter separately – the “Company” or “we”, “us”, “our”, etc.) of your Personal Information that you provide us when accessing or using the website www.trade.io (hereinafter – the “Website”), Exchange platform and other related services provided by the Company, via the Website (hereinafter – “Services”). This Policy establishes the responsibility of one of listed above Companies depending on in which Company you are serviced as a Customer (please see our Customer agreement).

"Personal Information" refers to information that identifies an individual, such as the name, address, email address, financial information, and banking details.

"Personal Information" does not include anonymized and/or aggregated data that does not identify a specific user. Company is committed to protecting and respecting your privacy. The purpose of this Privacy Policy is to describe:

- The types of Personal Information we collect and how it may be used;
- How and why we may disclose your Personal Information to third parties;
- The transfer of your Personal Information;
- Your right to access, correct, update, and delete your Personal Information;
- The security measures we use to protect and prevent the loss, misuse, or alteration of

Personal Information; and

- Company's retention of your Personal Information.
- This Privacy Policy also covers some basics of our use of cookies, however, for more details please also see our Cookie Policy;

We control the ways of collecting your Personal Information, and determine goals for which we use Personal Information. We are a “data controller” within the meaning of the General Data Protection Regulation (EU) 2016/679 (hereinafter referred to as “GDPR”) and other applicable European laws pertaining to data protection.

II. COLLECTION AND USE OF PERSONAL INFORMATION

A. PERSONAL INFORMATION WE COLLECT

We collect the next Personal Information:

- Contact information, such as name, home address, and email address.
- Account information, such as username and password.
- Financial information, such as bank account numbers, bank statement, trading activity and history, commissions charged, etc.
- Identity verification information, such as images of your government issued ID, passport, national ID card, driving license or other documents requested by our compliance department.

- Residence verification information, such as utility bill details or similar information.

- Other information, obtained during our KYC procedures, such as information about your financial state and source of funds;

We also automatically collect certain computer, device, and browsing information when you access the Website or use of Services. This information is aggregated to provide statistical data about our users' browsing actions and patterns, and does not personally identify individuals. This information may include:

- The information about the computer or mobile device you use to access our Website, including the hardware model, operating system and version, the web browser you use, IP addresses and other device identifiers.
- Website usage information, the server log information, which may include (but is not limited to) your login details, the date and time of visits, the pages viewed, your IP address, time spent at our Website and the websites you visit just before and just after our Website.
- The bandwidth upload and download speeds, the amount of free and used storage space on your device and other statistics about your device.

We may automatically capture, store and otherwise process information about you even if you abandon the completion of an online application or registration form.

B. USE OF COOKIES AND SIMILAR TECHNOLOGY

The Website is using cookies. Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site. Cookies are typically stored on your computer's hard drive. Our Website uses cookies to enable you to use the Website, the Services we offer and the materials on the Website. Cookies are also used to distinguish you from other users of our Website. This helps us to provide you with a good experience when you browse our Website and also allows us to improve our Website. For detailed information on the cookies we use and the purposes for which we use them see our Cookie Policy.

C. HOW WE USE YOUR PERSONAL INFORMATION

We may use your Personal Information to:

- Process your transactions. We will process your Personal Information only for the purpose(s) for which it has been provided to us.
- Fulfill our legal or regulatory requirements;
- Verify your identity in accordance with the applicable legislation and the Company's Anti-Money Laundering policy, as well as address other law enforcement needs. We also may share your information with other financial institutions and with tax authorities if such actions are required from us due to any applicable legislation.
- Detect, investigate and prevent fraudulent transactions or unauthorized or illegal activities;
- Protection of our rights and property;
- Personalize your Services experience.
- Analyze Website usage, and improve our Website and Website offerings. Analyzing

and tracking data to determine the usefulness or popularity of certain content and to better understand the online activity of our Website users;

- Help us respond to your customer service requests and support needs, answer your inquiry or respond to a communication from you;
- Contact you about Services. The email address you provide may be used to communicate information and updates related to your use of the Services. We may also occasionally communicate technical notices, support or administrative notifications, company news, updates, promotions, and information relating to similar products and Services provided by the Company.
- Administer a contest, promotion, survey or other features as will be more explained on the Website.
- Link, connect or combine Personal Information we collect from or about you with other Personal Information; and
- Carry out any other purpose or reason for which the Information was collected. We do not perform behavioral tracking of a customer's activities on our Website or across different Websites, nor do we allow third-party data collection through our services. If you wish to stop receiving marketing communications from us, please contact us at support@b2bx.exchange to opt-out.

III. DISCLOSING AND TRANSFERRING PERSONAL INFORMATION

We may disclose your Personal Information to third parties and legal and regulatory authorities, and transfer your Personal Information as described below:

A. DISCLOSURES TO THIRD PARTIES

In processing your transactions, we may share some of your Personal Information with our third-party service providers who help with our business operations. Your information will not be sold, exchanged, or shared with any third parties without your consent, except to provide Services or as required by law. By using Website or

trade.io Payment Solutions OU
Parnu mnt 158/2-88,
Kesklinna linnaosa,
Tallinn, Harju maakond,
11317 Estonia

Services you consent to the disclosure of your Personal Information as described in this Privacy Policy. Non-personally identifiable visitor information may be provided to third parties for marketing, advertising, or other uses. Company's third-party service providers are contractually bound to protect and use such information only for the purposes for which it was disclosed, except as otherwise required or permitted by law. We ensure that such third parties will be bound by terms no less protective than those described in this Privacy Policy, or those we are subject to under applicable data protection laws.

B. DISCLOSURES TO LEGAL AUTHORITIES

We may share your Personal Information with law enforcement, data protection authorities, government officials, and other authorities when:

- Compelled by a subpoena, court order, or other legal procedure.
- We believe that the disclosure is necessary to prevent physical harm or financial loss.
- Disclosure is necessary to report suspected illegal activity.
- Disclosure is necessary to investigate violations of this Privacy Policy or any of our agreements with you.

C. INTERNATIONAL TRANSFERS OF PERSONAL INFORMATION

We store and process your Personal Information in data centers around the world, wherever Company facilities or service providers are located. As such, we may transfer your Personal Information between such data centers. Such transfers are undertaken in accordance with our legal and regulatory obligations and are performed only via protected channels.

D. OTHER CIRCUMSTANCES FOR DISCLOSURE OF PERSONAL INFORMATION

We also can disclose your Personal Information in the following circumstances:

- with your consent or at your instruction. Certain information you may choose to

share may be displayed publicly, such as your username and any content you post when you use interactive areas of our Website, like our online forums;

- with our current or future parent companies, affiliates, subsidiaries and with other companies under common control, or ownership with us, or our offices internationally. We ensure that listed parties will be bound by terms not less protective than those described in this Privacy Policy, or those we are subject to under applicable data protection laws;
- if the sharing of Personal Information is necessary for the protection of our rights and property, or the rights and property of the above listed in current or future parent companies, affiliates, subsidiaries, and with other companies under common control or ownership with us or our offices;

IV. EXTERNAL WEBSITES

Occasionally, the Website may provide references or links to other websites ("External websites"). We do not control External website third-party sites or any of the content contained therein. You agree that we are in no way responsible or liable for External websites referenced or linked from the Company's Website, including, but not limited to, website content, policies, failures, promotions, products, services or actions and/or any damages, losses, failures or problems caused by, related to, or arising from those sites. External websites have separate and independent privacy policies. We encourage you to review the policies, rules, terms, and regulations of each site that you visit. We seek to protect the integrity of our site and welcome any feedback about External website information provided on the Company Website.

V. YOUR RIGHTS REGARDING YOUR PERSONAL INFORMATION

You are able to exercise all the right foreseen by legislation, if this does not contradict the legal requirements in relation to the prevention of money laundering and terrorist financing laws, our record keeping obligations, etc.

You have the following rights:

- the right to be informed about the fact that we're processing your Personal Information and which data exactly we are processing,
- the right to data portability. In certain circumstances, you have the right to obtain all your Personal Information we store in a machine readable format;
- the right to object the processing of your Personal Information.
- the right not to be subject to automated decision-making including profiling if it doesn't intervene in performing the contract between you and us.
- the right to access your Personal Information, to correct, update, and block inaccurate and/or incorrect data;
- the right to withdraw your consent of Personal Information processing;
- the right to erase your Personal Information from our servers upon your justified request (a right to be forgotten);

To exercise these rights, contact us at support@trade.io.

Within 40 days of receipt of your written request we will provide you with your Personal Information, including the purposes for which it was used and to whom it was disclosed to, in accordance with applicable legislation. We reserve the right to request additional information from you, that may be necessary in order to provide the duly response to your request in accordance with applicable legislation and you agree with such right.

Also, if you wish to correct, update, and block inaccurate and/or incorrect data, we have a right to request a confirmation of correct data from you, for example, official documents containing such data. Please note that if we are unable to verify your identity by email messages or at your application to the call center, or in the case of reasonable doubts concerning your identity, we may ask you to provide proof of identity, including by personal appearance in our office. This is the only way we can avoid disclosing your Personal Information to a person who can perpetrate your identity.

In some cases, we will not be able to change your Personal Information. In particular, such case can include the event when your personal information has already been used during the execution of any agreement or transaction, or is specified in any official document, etc. You have the right of withdrawal of consent to personal data processing. You may also exercise your right to be forgotten and erase your Personal information from our servers. In cases stipulated in Article 17 of GDPR, we will delete your Personal Information that we process, except for Personal Information which we are obliged to store in accordance with the requirements set forth by the applicable legislation.

Please be advised, that in case of realization of your right of withdrawal of consent to personal data processing or right to be forgotten, we may not be able to provide you with our products or services, and we have a special right to terminate all of our current agreements with you with the application of legal consequences of such termination, and you irrevocably acknowledge our right to do so.

In order to withdraw the consent to personal data processing and/or exercise your rights to be forgotten please contact us at support@trade.io

Furthermore, in this case, for the purposes of safety, we may request you to present your ID document, including directly at our office.

VI. SECURITY OF PERSONAL INFORMATION

We use a variety of security measures to ensure the confidentiality of your Personal Information, and to protect your Personal Information from loss, theft, unauthorized access, misuse, alteration or destruction. These security measures include, but are not limited to:

Password protected directories and databases.

Secure Sockets Layered (SSL) technology to ensure that your information is fully encrypted and sent across the Internet securely.

Limited access to hosting servers using 2FA and traffic encryption.

All financially sensitive and/or credit information is transmitted via SSL technology

and encrypted in our database.

Only authorized Company personnel are permitted access to your Personal Information, and these personnel are required to treat the information as highly confidential. The security measures will be reviewed regularly in light of new and relevant legal and technical developments.

VII. RETENTION OF PERSONAL INFORMATION

We retain Personal Information for as long as necessary to fulfil the purposes described in this Privacy Policy, subject to our own legal and regulatory obligations. In accordance with our record keeping obligations, we will retain account and other Personal Information for at least five years after termination of respective agreement.

VIII. UPDATES TO THIS PRIVACY POLICY

This Privacy Policy may be revised, modified, updated and/or supplemented at any time, without prior notice, at the sole discretion of the Company. When we make changes to this Privacy Policy, we will notify all users on our Website, and make the amended Privacy Policy available on our Website.

IX. DATA PROTECTION OFFICER

To exercise all relevant rights, queries or complaints to any data protection matter between you and us, please in the first instance contact our Data Protection Officer at support@trade.io
